Remembering HERM GILLIAM

A member of the Trail Blazers 1976-77 NBA Championship Team, Herm served on Janus' Board of Directors and chaired our Scholarship Fund. With his passing, the community lost a true friend and one of its greatest treasures.

CHANGING LIVES

Janus Youth Programs has operated community-based programs for children, youth and families in Oregon and Washington since 1972. A network of over 40 programs includes services for runaway, homeless and sex trafficked youth; residential treatment programs for abused youth; services for teen parents and their children; a college scholarship program; and community food projects.

More than a great afternoon of golf, the Herm Gilliam Memorial Golf Tournament for Kids is about changing lives and building futures for 6,000 individuals each year.
