

Remembering HERM GILLIAM

A member of the Trail Blazers 1976-77 NBA Championship Team, Herm served on Janus' Board of Directors and chaired our Scholarship Fund. With his passing, the community lost a true friend and one of its greatest treasures.

CHANGING LIVES

Janus Youth Programs is about changing lives and building futures for children, youth and families in Oregon and Washington. From residential treatment programs for abused youth; runaway and homeless youth services; an 85,000 square foot urban agriculture program addressing hunger, employment and community health issues in North Portland low-income communities; special education classrooms; teen parent services; to a college scholarship program, Janus Youth Programs is changing lives and building futures 24 hours a day, 7 days a week, 365 days a year.

More than a great afternoon of golf, the Herm Gilliam Memorial Golf Tournament for Kids is about changing lives and building futures for the 36,000 individuals Janus helps each year.
